

FEATURES AND SPECIFICATIONS

SFP Ganged Cages

1-by-2 Series 74722

1-by-4 Series 73927

1-by-5 Series 74723

1-by-6 Series 74747

Meet higher density packaging requirements with Molex's broad offering of SFP Ganged Cages

The SFP Ganged cages are multi-port cages, developed to meet the market need for higher packaging density. The result is greater PCB space savings in belly-to-belly configurations versus single cage applications.

The Ganged Cages are tooled in 1-by-2, 1-by-4, 1-by-5 and 1-by-6 versions with press-fit and solder-post tails.

The rugged metal cage design is based on the Small Form-factor transceiver Multi-Source Agreement. They also incorporate a compliant, elastomeric 360° gasket and multiple ground pin locations for EMI containment.

Features and Benefits

- Small form-factor design offers significant PCB width savings over the single cage solution
- 360° conductive elastomeric gasket and multiple ground pin locations provide advanced EMI (Electro Magnetic Interference) shielding to the bezel
- Press-fit tails accommodate belly-to-belly applications ensure better use of PCB real-estate
- Accepts copper and optical SFP modules for Fibre Channel and Gigabit Ethernet applications to provide module versatility

1-by-2, 1-by-4 and 1-by-5 shown

SPECIFICATIONS

Reference Information

Packaging: Tray

Physical

Housing: Nickel-Silver Alloy

PCB Thickness:

Press-fit: 1.57mm (.062") Single Side

3.00mm (.118") Double Side

Solder Post: 1.57mm (.062") Single Side

3.81mm (.150") Double Side

Operating Temperature: -55 to +105° C

1-by-2 SFP Ganged Cage

1-by-4 SFP Ganged Cage

1-by-6 SFP Ganged Cage

1-by-5 SFP Ganged Cage

APPLICATIONS

- Networking Equipment
 - Switches, routers, storage racks
- Data Communication Applications
 - High-end servers

SFP Ganged Cages

1-by-2 Series 74722

1-by-4 Series 73927

1-by-5 Series 74723

1-by-6 Series 74747

COMPLIMENTARY PRODUCTS

- SFP 2-by-1 Stacked Multi-Port Connector with Lightpipes (75310 Series)
- SFP Cage and Connector Component Kit (75082 Series)
- Single and Ganged SFP Cages (73927, 74722, 74723, 74747 Series)
- 20 Circuit, Right Angle, SMT Connector (74441 Series)
- 1000Base-T SFP Transceiver (74741 Series)
- HSSDC2 Plug-to-Plug Copper Cable Assembly (73939 Series)
- HSSDC2 Module, Loopback Adapter, Dust Plug (74720 Series)
- Copper Patch Cable Assembly (73929 Series)
- LC Duplex Cable Assembly (86025 Series)

ORDERING INFORMATION

| Order No. | Description | Mounting |
|------------|------------------------|-------------|
| 73927-0415 | 1-by-4 SFP Ganged Cage | Press-fit |
| 73927-0412 | 1-by-4 SFP Ganged Cage | Solder-post |
| 74722-0001 | 1-by-2 SFP Ganged Cage | Press-fit |
| 74723-0001 | 1-by-5 SFP Ganged Cage | Press-fit |
| 74747-0001 | 1-by-6 SFP Ganged Cage | Press-fit |
