BOSCH
ROTOCUT

Bosch. We bring innovation

BOSCH

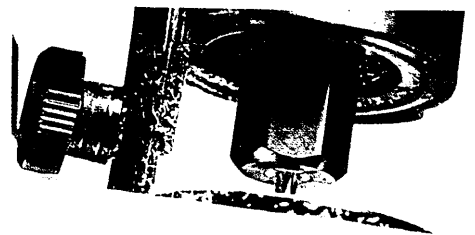

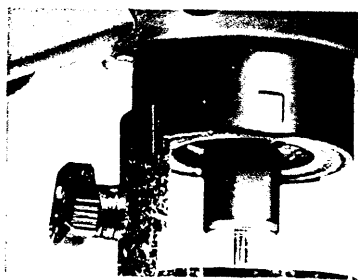

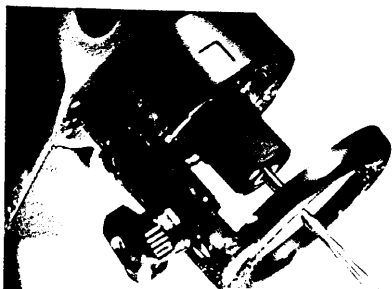

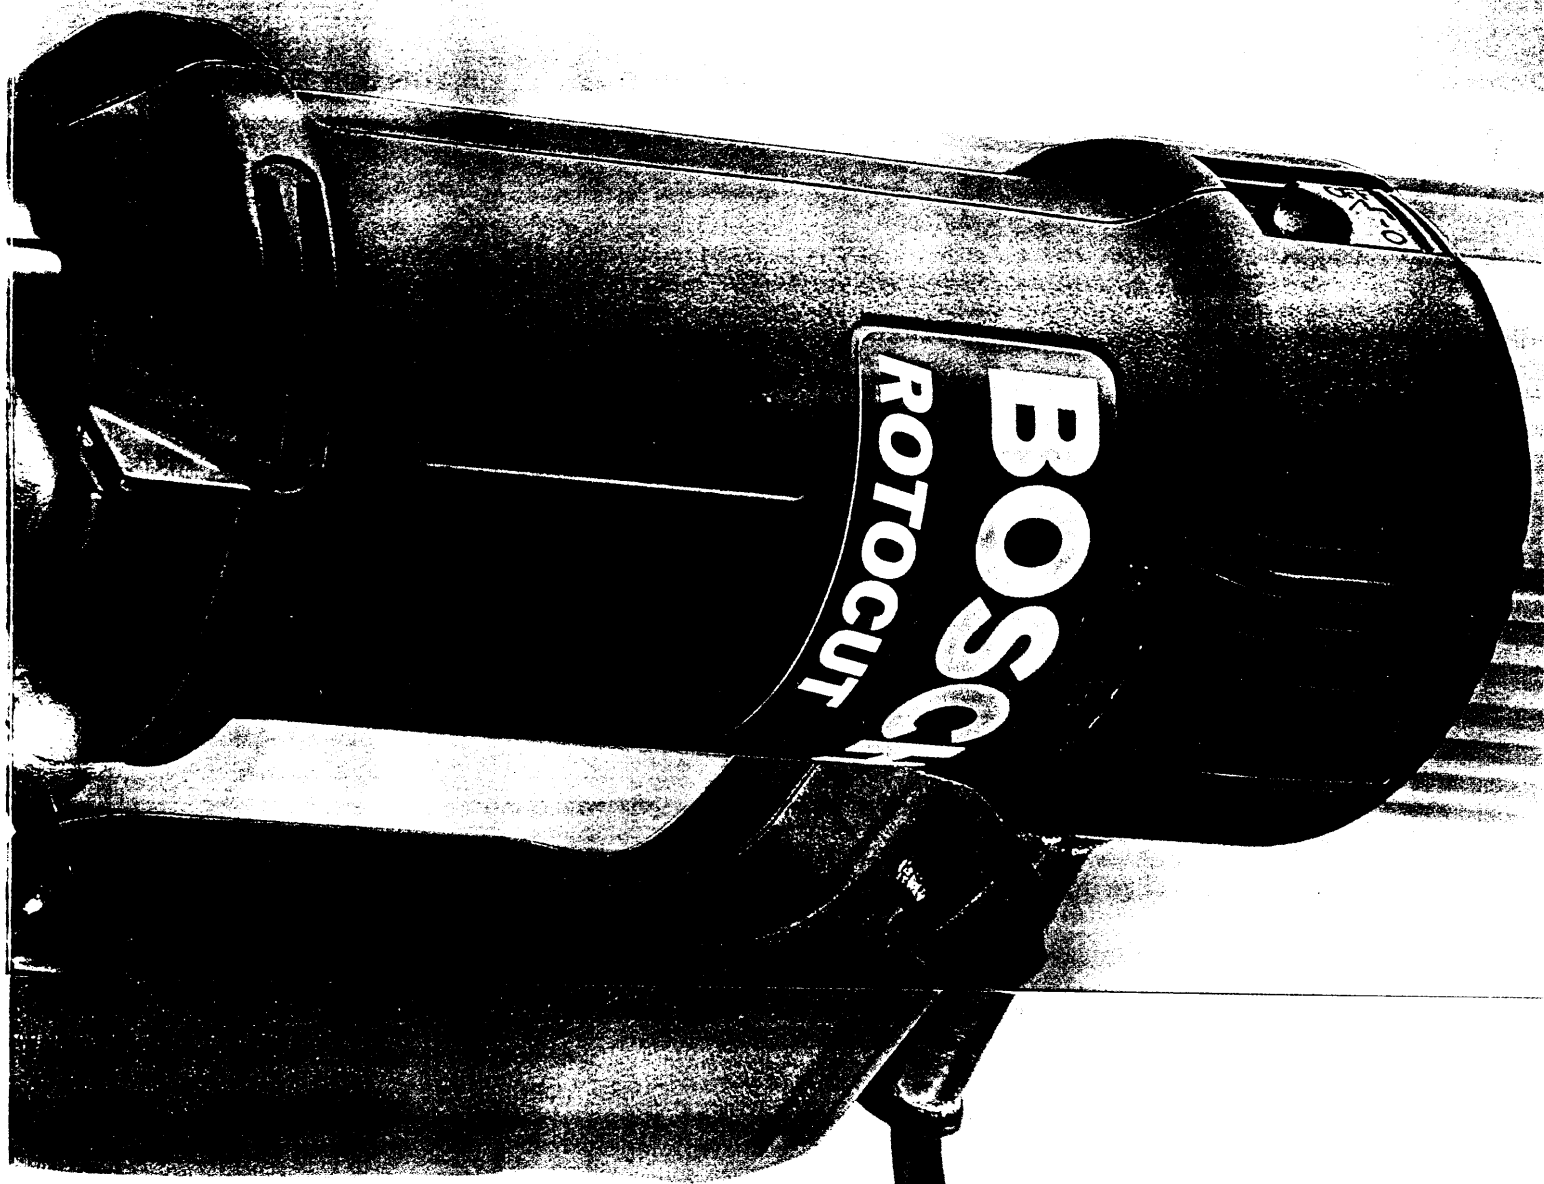

**The new tool for fast cuts
in awkward places**

Bosch launches a new cutting tool.
The Rotocut accessories rotate at

30.000 rpm. It plunges and moves
through the material, for fast
cut-outs in wood, plasterboard,
Perspex, chipboard and wall tiles.
The new Rotocut is ideal for

interior decorators, exhibition
builders, tilers, electricians,
furniture makers and painters
and decorators.
Available now from your dealer.

Bosch Rotocut

Lightweight, handy and extremely nimble for fast cutting and cut-outs.

- Comfortable housing with practical auxiliary handle for accurate guidance
- Free view of the cutting area for accurate cutting
- Depth adjustment with adjustment screw for cutting materials of different thicknesses
- Spindle lock for easier cutting bit changes
- Comprehensive cutting bit range
- Comes with circular cutter and dust extraction adapter

Cut-outs for lamps, speakers or sockets are quick and accurate, trimming parquet flooring is no problem.

During bathroom and kitchen installation, holes for water and heating pipes are cut-out quickly.

For mould and pattern makers as well as exhibition installers, the Rotocut is ideal for trimming work, cut-outs and channelling.
