Description

A unique colour coded tab system which is easy to fit (or remove), remaining firmly in place, providing a durable, bright identification coding for Deltron 1/4" jack plugs. Ten colours are available, with two rings used per plug, giving up to 100 possible coding combinations. Supplied in separate colours in a polythene bag.

Material : ACETAL C 27021

Features

Pack of 25 rings (one colour) supplied in a polythene bag.
