TITAN

SUPER HEAVY DUTY TRIMMING KNIFE

- ▶ High quality enamel-painted aluminium for long-lasting strength and wear-resistance without unnecessary weight
- ▶ Jaw design ensures secure clamping of blade – cannot be forced upwards through body, even under pressure
- ▶ Double-notched blade location for added security
- ▶ Easy blade change using solid brass notched wheel
 - No screwdriver required
 - Two body halves hinged for ease of re-location
- ▶ Internal storage for more than 15 Stanley Heavy Duty blades – supplied initially with 5 blades
- ▶ Supplied with tough polypropylene scabbard – allows knife to be used conveniently and safely even with blade in fixed position
