

Top view of the JAE DA-1 connector. The diagram shows a rectangular component with a central row of 10 pins. The pins are numbered 1 to 10 from left to right. The component has mounting tabs on the left and right sides. Dimensions are indicated: a vertical dimension of ± 0.2 and 0.8 on the left, and a vertical dimension of 0.1 (NOT) on the right. The labels "JAE" and "DA-1" are present. Two "NOTE 6" labels with arrows pointing to the mounting tabs are shown, each with a Japanese note "(注6)".
